**Subject:** Massachusetts Minimum Creditable Coverage Requirement  
**Attachments:** MA MCC Attestation.pdf

November 2021

Dear Employer:

According to our records, you have at least one employee who is a resident of Massachusetts.

As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents eighteen (18) years of age and older, have health coverage that meets the **Minimum Creditable Coverage (MCC) standards** set by the Commonwealth Health Insurance Connector.

Your current health benefit plan alone **does not meet Minimum Creditable Coverage standards**. If you have other benefits that when combined with your current health benefit plan meet MCC standards for your members, please complete the attached attestation so that we can accurately reflect this information on the MA-1099-HC forms that we produce for your members. Please return by email to: [AdministrationSB@trustmarkbenefits.com](mailto:AdministrationSB@trustmarkbenefits.com) by December 3, 2021.

If you have any questions regarding these changes, please contact your broker or our Group Administration Team at 800.522.1246, ext.35399. We look forward to serving the healthcare benefit needs of you and your employees, and providing exceptional personal service.
