GRANDFATHERED STATUS DISCLOSURE

This City of Delaware City Plan Employee Group Healthcare Benefit Plan believes this *Plan* is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this *Plan* may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits. Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the *plan administrator*.

Covered persons may also contact the U.S. Department of Health and Human Services at www.healthreform.gov

PREFERRED PROVIDER OR NONPREFERRED PROVIDER

Covered persons have the choice of using either a *preferred provider* or a *nonpreferred provider*.

PREFERRED PROVIDER

A *preferred provider* is a *physician, hospital* or ancillary service provider which has an agreement in effect with the *Preferred Provider Organization* (PPO) to accept a negotiated rate for services rendered to *covered persons*. The *preferred provider* cannot bill the *covered person* for any amount in excess of the *negotiated rate*. *Covered persons* should contact the *employer's* Human Resources Department for a current listing of *preferred providers*.

NONPREFERRED PROVIDER

A *nonpreferred provider* does not have an agreement in effect with the *Preferred Provider Organization*. This *Plan* will allow only the *customary and reasonable amount* as a *covered expense*. The *Plan* will pay its percentage of the *customary and reasonable amount* for the *nonpreferred provider* services, supplies and treatment. The *covered person* is responsible for the remaining balance. This results in greater out-of-pocket expenses to the *covered person*.

REFERRALS

Referrals to a *nonpreferred provider* are covered as *nonpreferred provider* services, supplies and treatments. It is the responsibility of the *covered person* to assure services to be rendered are performed by *preferred providers* in order to receive the *preferred provider* level of benefits.

EXCEPTIONS

The following listing of exceptions represents services, supplies or treatments rendered by a *nonpreferred provider* where *covered expenses* shall be payable at the *preferred provider* level of benefits:

1. *Emergency* treatment rendered at a *nonpreferred provider facility* or at a *preferred provider facility* by a *nonpreferred provider*. If the *covered person* is admitted to the *hospital* on an *emergency* basis, *covered expenses* shall be payable at the *preferred provider* level.
2. *Nonpreferred* anesthesiologist when the *facility* where such services are rendered is a *preferred provider*.
3. *Nonpreferred* assistant surgeon if the operating surgeon is a *preferred provider*.
4. Radiologist or pathologist services for interpretation of x-rays and diagnostic laboratory and surgical pathology tests rendered by a *nonpreferred provider* when the *facility* where such services are rendered is a *preferred provider*.
5. Diagnostic laboratory and surgical pathology tests referred to a *nonpreferred provider* by a *preferred provider*.
6. While the *covered person* is confined to a *preferred provider hospital*, the *preferred provider physician* requests a consultation from a *nonpreferred provider*.
7. *Medically necessary* specialty services, supplies or treatments which are not available from a provider within the *Preferred Provider Organization*.
8. When a covered *dependent* resides outside the service area of the *Preferred Provider Organization*.
9. Treatment rendered at a *facility* of the uniformed services or Indian Health Care *facility*.

MEDICAL EXPENSE BENEFIT

This section describes the *covered expenses* of the *Plan*. All *covered expenses* are subject to applicable *Plan* provisions including, but not limited to: deductible, *copay*, *coinsurance* and *maximum benefit* provisions as shown on the *Schedule of Benefits*, unless otherwise indicated. Any portion of an expense *incurred* by the *covered person* for services, supplies or treatment, that is greater than the *customary and reasonable amount* for *nonpreferred providers* or *negotiated rate* for *preferred providers* will not be considered a *covered expense* by this *Plan*. Specified preventive care expenses will be considered to be *covered expenses*.

COPAY

The *copay* is the amount payable by the *covered person* for certain services, supplies or treatment rendered by a *preferred provider*. The service and applicable *copay* are shown on the *Schedule of Benefits*. The *covered person* selects a *preferred provider* and pays the *preferred provider* the *copay*. The *Plan* pays the remaining *covered expenses* at the *negotiated rate*. The *copay* must be paid each time a treatment or service is rendered.

The *copay* will not be applied toward the following:

1. The calendar year deductible.
2. The maximum *coinsurance* expense limit.
3. The deductible carry-over.
4. The common accident deductible.

DEDUCTIBLES

Individual Deductible

The individual deductible is the dollar amount of *covered expense* which each *covered person* must have *incurred* during each calendar year before the *Plan* pays applicable benefits. The individual deductible amount is shown on the *Schedule of Benefits*.

Family Deductible

If, in any calendar year, covered members of a family incur *covered expenses* that are subject to the deductible that are equal to or greater than the dollar amount of the family deductible shown on the *Schedule of Benefits*, then the family deductible will be considered satisfied for all family members for that calendar year. Any number of family members may help to meet the family deductible amount, but no more than each person's individual deductible amount may be applied toward satisfaction of the family deductible by any family member.

Common Accident

If two or more covered members of a family are *injured* in the same *accident* and, as a result of that *accident*, incur *covered expenses*, only one (1) individual deductible amount will be deducted from the total *covered expenses* of all covered family members related to the *accident* for the remainder of the calendar year.

Deductible Carry-Over

Amounts *incurred* during October, November and December and applied toward the deductible of any *covered person*, will also be applied to the deductible of that *covered person* in the next calendar year.

COINSURANCE

The **Plan** pays a specified percentage of **covered expenses** at the **customary and reasonable amount** for **nonpreferred providers**, or the percentage of the **negotiated rate** for **preferred providers**. That percentage is specified on the **Schedule of Benefits**. For **nonpreferred providers**, the **covered person** is responsible for the difference between the percentage the **Plan** paid and one hundred percent (100%) of the billed amount.

COINSURANCE EXPENSE LIMIT

After the **covered person** has incurred expenses equal to the **coinsurance** expense limit listed on the **Schedule of Benefits** for **covered expenses** (after satisfaction of any applicable deductibles), the **Plan** will begin to pay one hundred percent (100%) of **covered expenses** for the remainder of the calendar year.

After a covered family has incurred a combined amount equal to the family **coinsurance** expense limit listed on the **Schedule of Benefits**, the **Plan** will pay one hundred percent (100%) of **covered expenses** for all covered family members for the remainder of the calendar year.

Coinsurance Expense Limit Exclusions

The following items do not apply toward the **coinsurance** expense limit and will not be payable at one hundred percent (100%), even if the **coinsurance** expense limit has been satisfied:

1. Expenses for services, supplies and treatments not covered by this **Plan**, to include charges in excess of the **customary and reasonable amount** or **negotiated rate**, as applicable.
2. Deductible(s).
3. **Copays**.
4. Expense **incurred** as a result of failure to obtain pre-certification.

MAXIMUM BENEFIT

The **Schedule of Benefits** may contain separate **maximum benefit** limitations for specified conditions and/or services. Any separate **maximum benefit** will include all such benefits paid by the **Plan** for the **covered person** during any and all periods of coverage under this **Plan**. No more than the **maximum benefit** will be paid for any **covered person** while covered by this **Plan**.

HOSPITAL/AMBULATORY SURGICAL FACILITY

Inpatient hospital admissions are subject to pre-certification. Failure to obtain pre-certification will result in a reduction of benefits as specified in the **Medical/Dental Claim Filing Procedure** section of this document.

Covered expenses shall include:

1. **Room and board** for treatment in a **hospital**, including **intensive care units**, cardiac care units and similar **medically necessary** accommodations. **Covered expenses** for **room and board** shall be limited to the **hospital's semiprivate** rate. **Covered expenses** for **intensive care** or cardiac care units shall be the **customary and reasonable amount** for **nonpreferred providers** and the percentage of the **negotiated rate** for **preferred providers**. A full private room rate is covered if the private room is necessary for isolation purposes and is not for the convenience of the **covered person**. In a **hospital** having only private rooms, **covered expenses** for **room and board** shall be limited to eighty percent (80%) of the **hospital's** average private room rate.

2. Miscellaneous **hospital** services, supplies, and treatments including, but not limited to:
 - a. Admission fees, and other fees assessed by the **hospital** for rendering services, supplies and treatments;
 - b. Use of operating, treatment or delivery rooms;
 - c. Anesthesia, anesthesia supplies and its administration by an employee of the **hospital**;
 - d. Medical and surgical dressings and supplies, casts and splints;
 - e. Blood transfusions, including the cost of whole blood, the administration of blood, blood processing and blood derivatives (to the extent blood or blood derivatives are not donated or otherwise replaced);
 - f. Drugs and medicines (except drugs not used or consumed in the **hospital**);
 - g. X-ray and diagnostic laboratory procedures and services;
 - h. Oxygen and other gas therapy and the administration thereof;
 - i. Therapy services.
3. Services, supplies and treatments described above furnished by an **ambulatory surgical facility**, including follow-up care provided within seventy-two (72) hours of a procedure.
4. Charges for pre-admission testing (x-rays and lab tests) performed within seven (7) days prior to a **hospital** admission which are related to the condition which is necessitating the **confinement**. The *employer/plan administrator* reserves the right, waivable at its discretion, to seek clarification with respect to the order from the court or administrative agency which issued the order, up to and including the right to seek a hearing before the court or agency.

4. A **dependent** child who was covered under the **Plan** prior to the end of the month in which the child reached twenty-six (26) years of age and who lives with the **employee**, is unmarried, incapable of self-sustaining employment and dependent upon the **employee** for support due to a mental and/or physical disability, will remain eligible for coverage under the **Plan** beyond the date coverage would otherwise terminate.

Proof of incapacitation must be provided within thirty-one (31) days of the child's loss of eligibility and thereafter as requested by the **employer** or **claims processor**, but not more than once every two (2) years. Eligibility may not be continued beyond the earliest of the following:

- a. Cessation of the mental and/or physical disability;
- b. Failure to furnish any required proof of mental and/or physical disability or to submit to any required examination.

Every eligible **employee** may enroll eligible **dependents**. However, if both the husband and wife are **employees**, they may choose to have one covered as the **employee**, and the spouse covered as the **dependent** of the **employee**. An **employee** cannot be covered as an **employee** and a **dependent**. Eligible children may be enrolled as **dependents** of one spouse, but not both.

DEPENDENT ENROLLMENT

An **employee** must file a written application (or electronic, if applicable) with the **employer** for coverage hereunder for his eligible **dependents** within thirty-one (31) days of becoming eligible for coverage; and within thirty-one (31) days of marriage or the acquiring of children or birth of a child. The **employee** shall have the responsibility of timely forwarding to the **employer** all applications for enrollment hereunder.

DEPENDENT(S) EFFECTIVE DATE

Eligible **dependent(s)**, as described in *Dependent(s) Eligibility*, will become covered under the **Plan** on the later of the dates listed below, provided the **employee** has enrolled them in the **Plan** within thirty-one (31) days of meeting the **Plan's** eligibility requirements and any required contributions are made.

1. The date the **employee's** coverage becomes effective.
2. The date the **dependent** is acquired, provided the **employee** has applied for **dependent** coverage within thirty-one (31) days of the date acquired.
3. Newborn children shall be covered from birth, provided the **employee** has applied for **dependent** coverage within thirty-one (31) days of birth.
4. Coverage for a newly adopted or to be adopted child shall be effective on the date the child is **placed for adoption**, provided the **employee** has applied for **dependent** coverage within thirty-one (31) days of the date the child is **placed for adoption**.
5. Coverage for a child who enrolled during the special enrollment period provided under the Patient Protection and Affordable Care Act shall be effective January 1, 2011.

SPECIAL ENROLLMENT PERIOD (OTHER COVERAGE)

An **employee** or **dependent** who did not enroll for coverage under this **Plan** because he was covered under other group coverage or had health insurance coverage at the time he was initially eligible for coverage under this **Plan**, may request a special enrollment period if he is no longer eligible for the other coverage. Special enrollment periods will be granted if the individual's loss of eligibility is due to:

1. Termination of the other coverage (including exhaustion of COBRA benefits).

2. Cessation of employer contributions toward the other coverage.
3. Legal separation or divorce.
4. Termination of other employment or reduction in number of hours of other employment.
5. Death of *dependent* or spouse.
6. Cessation of other coverage because *employee* or *dependent* no longer resides or works in the service area and no other benefit package is available to the individual.
7. Cessation of *dependent* status under other coverage and *dependent* is otherwise eligible under *employee's Plan*.
8. An incurred claim that would exceed the other coverage's maximum benefit limit. The maximum benefit limit is all-inclusive and means that no further benefits are payable under the other coverage because the specific total benefit pay out maximum has been reached under the other coverage. The right for special enrollment continues for thirty (30) days after the date the claim is denied under the other coverage.

Notwithstanding any provision of this *Plan* to the contrary, all benefits received by an individual under any benefit option, package or coverage under the *Plan* shall be applied toward the *maximum benefit* paid by this *Plan* for any one *covered person* for such option, package or coverage under the *Plan*, and also toward the *maximum benefit* under any other options, packages or coverages under the *Plan* in which the individual may participate in the future.

The end of any extended benefits period, which has been provided due to any of the above, will also be considered a loss of eligibility.

However, loss of eligibility does not include a loss due to failure of the individual to pay premiums or contributions on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the other coverage).

The *employee* or *dependent* must request the special enrollment and enroll no later than thirty-one (31) days from the date of loss of other coverage.

The *effective date* of coverage as the result of a special enrollment shall be the first day of the first calendar month following the *plan administrator's* receipt of the completed enrollment form.

SPECIAL ENROLLMENT PERIOD (DEPENDENT ACQUISITION)

An *employee* who is currently covered or not covered under the *Plan*, but who acquires a new *dependent* may request a special enrollment period for himself, if applicable, his newly acquired *dependent* and his spouse, if not already covered under this *Plan* and otherwise eligible for coverage.

For the purposes of this provision, the acquisition of a new *dependent* includes:

- marriage
- birth of a *dependent* child
- adoption or *placement for adoption* of a *dependent* child

The *employee* must request the special enrollment within thirty-one (31) days of the acquisition of the *dependent*.

The *effective date* of coverage as the result of a special enrollment shall be:

1. in the case of marriage, the first day of the first calendar month following the *plan administrator's* receipt of the completed enrollment form;
2. in the case of a *dependent's* birth, the date of such birth;
3. in the case of adoption or *placement for adoption*, the date of such adoption or *placement for adoption*.

SPECIAL ENROLLMENT PERIOD (CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP) REAUTHORIZATION ACT OF 2009)

This *Plan* intends to comply with the Children's Health Insurance Program Reauthorization Act of 2009.

An *employee* who is currently covered or not covered under the *Plan* may request a special enrollment period for himself, if applicable, and his *dependent*. Special enrollment periods will be granted if:

1. the individual's loss of eligibility is due to termination of coverage under a state children's health insurance program or Medicaid; or,
2. the individual is eligible for any applicable premium assistance under a state children's health insurance program or Medicaid.

The *employee* or *dependent* must request the special enrollment and enroll no later than sixty (60) days from the date of loss of other coverage or from the date the individual becomes eligible for any applicable premium assistance.

OPEN ENROLLMENT

Open enrollment is the period designated by the *employer* during which the *employee* may change benefit plans or enroll in the *Plan* if he did not do so when first eligible or does not qualify for a special enrollment period. An open enrollment will be permitted once in each calendar year during the month of December. A covered *employee* who fails to make an election or to change enrollment during the open enrollment period will automatically retain his or her present coverage.

During this open enrollment period, an *employee* and his *dependents* who are covered under this *Plan* or covered under any *employer* sponsored health plan may elect coverage or change coverage under this *Plan* for himself and his eligible *dependents*. An *employee* must make written application (or electronic, if applicable) as provided by the *employer* during the open enrollment period to change benefit plans.

The *effective date* of coverage as the result of an open enrollment period will be the following January 1st.

Except for a status change listed below, the open enrollment period is the only time an *employee* may change benefit options or modify enrollment. Status changes include:

1. Change in family status. A change in family status shall include only:
 - a. Change in *employee's* legal marital status;
 - b. Change in number of *dependents*;
 - c. Termination or commencement of employment by the *employee*, spouse or *dependent*;
 - d. Change in work schedule;
 - e. *Dependent* satisfies (or ceases to satisfy) *dependent* eligibility requirements;
 - f. Change in residence or worksite of *employee*, spouse or *dependent*.
2. Change in the cost of coverage under the *employer's* group medical plan.
3. Cessation of required contributions.

4. Taking or returning from a *leave of absence* under the Family and Medical Leave Act of 1993.
5. Significant change in the health coverage of the *employee* or spouse attributable to the spouse's employment.
6. A Special Enrollment Period as mandated by the Health Insurance Portability and Accountability Act of 1996.
7. A court order, judgment or decree.
8. *Medicare* or Medicaid, or enrollment in a state child health insurance program (CHIP).
9. A COBRA qualifying event.

TERMINATION OF COVERAGE

Except as provided in the *Plan's Continuation of Coverage (COBRA)* or *Extension of Benefits* provision, coverage will terminate on the earliest of the following dates:

TERMINATION OF EMPLOYEE COVERAGE

1. The date the *employer* terminates the *Plan* and offers no other group health plan.
2. The last day of the month in which the *employee* ceases to meet the eligibility requirements of the *Plan*.
3. The last day of the month in which employment terminates, as defined by the *employer's* personnel policies.
4. The date the *employee* becomes a full-time, active member of the armed forces of any country.
5. The date the *employee* ceases to make any required contributions.

TERMINATION OF DEPENDENT(S) COVERAGE

1. The date the *employer* terminates the *Plan* and offers no other group health plan.
2. The date the *employee's* coverage terminates.
3. The date such person ceases to meet the eligibility requirements of the *Plan*.
4. The date the *employee* ceases to make any required contributions on the *dependent's* behalf.
5. The date the *employee's dependent* spouse becomes a full-time, active member of the armed forces of any country.
6. The date the *Plan* discontinues *dependent* coverage for any and all *dependents*.
7. The date the *employee's dependent* spouse becomes eligible as an *employee*.

NON-MEDICAL LEAVE OF ABSENCE

Coverage may be continued for a limited time, contingent upon payment of any required contributions for *employees* and/or *dependents*, when the *employee* is on an authorized non-medical *leave of absence* from the *employer*. In no event will coverage continue for longer than the end of the month following the month in which the *employee's* active service ends.

While continued, coverage will be that which was in force on the last day worked as an active *employee*. However, if benefits reduce for others in the class, they will also reduce for the continued person.

LAYOFF

Coverage may be continued for a limited time, contingent upon payment of any required contributions for *employees* and/or *dependents*, when the *employee* is subject to an *employer layoff*. In no event will coverage continue for longer than the end of the month following the month in which the *employee's* active service ends.

While continued, coverage will be that which was in force on the last day worked as an active *employee*. However, if benefits reduce for others in the class, they will also reduce for the continued person.

FAMILY AND MEDICAL LEAVE ACT (FMLA)

Eligible Leave

An **employee** who is eligible for unpaid leave and benefits under the terms of the Family and Medical Leave Act of 1993 (FMLA), as amended, has the right to continue coverage under this **Plan** for up to twelve (12) weeks (twenty-six (26) weeks in certain circumstances). **Employees** should contact the **employer** to determine whether they are eligible under FMLA.

Contributions

During this leave, the **employer** will continue to pay the same portion of the **employee's** contribution for the **Plan**. The **employee** shall be responsible to continue payment for eligible **dependent's** coverage and any remaining **employee** contributions. If the covered **employee** fails to make the required contribution during a FMLA leave within thirty (30) days after the date the contribution was due, the coverage will terminate effective on the date the contribution was due.

Reinstatement

If coverage under the **Plan** was terminated during an approved FMLA leave, and the **employee** returns to active work immediately upon completion of that leave, **Plan** coverage will be reinstated on the date the **employee** returns to active work as if coverage had not terminated, provided the **employee** makes any necessary contributions and enrolls for coverage within thirty-one (31) days of his return to active work.

Repayment Requirement

The **employer** may require **employees** who fail to return from a leave under FMLA to repay any contributions paid by the **employer** on the **employee's** behalf during an unpaid leave. This repayment will be required only if the **employee's** failure to return from such leave is not related to a "serious health condition," as defined in FMLA, or events beyond the **employee's** control.

EMPLOYEE REINSTATEMENT

An **employee** who returns to work following an approved **leave of absence**, **layoff**, or termination of employment will be considered a new **employee** for purposes of eligibility and will be subject to all eligibility requirements, including all requirements relating to the **effective date** of coverage.

EXTENSION OF BENEFITS DURING DISABILITY

If the **employee** is absent from work because of a disability, eligibility for coverage under this **Plan** will be continued as if the **employee** were still actively working. In no event will coverage continue for longer than the length of sick leave the **employee** has accrued as of the date of the disability.

CONTINUATION OF COVERAGE

In order to comply with federal regulations, this *Plan* includes a continuation of coverage option for certain individuals whose coverage would otherwise terminate. The following is intended to comply with the Public Health Services Act. This continuation of coverage may be commonly referred to as "COBRA coverage" or "continuation coverage."

The coverage which may be continued under this provision consists of health coverage. It does not include life insurance benefits, accidental death and dismemberment benefits, or income replacement benefits. Health coverage includes medical, prescription drug and dental benefits as provided under the *Plan*.

QUALIFYING EVENTS

Qualifying events are any one of the following events that would cause a *covered person* to lose coverage under this *Plan* or cause an increase in required contributions, even if such loss of coverage or increase in required contributions does not take effect immediately, and allow such person to continue coverage beyond the date described in *Termination of Coverage*:

1. Death of the *employee*.
2. The *employee's* termination of employment (other than termination for gross misconduct), or reduction in work hours to less than the minimum required for coverage under the *Plan*. This event is referred to below as an "18-Month Qualifying Event."
3. Divorce or legal separation from the *employee*.
4. The *employee's* entitlement to *Medicare* benefits under Title XVIII of the Social Security Act, if it results in the loss of coverage under this *Plan*.
5. A *dependent* child no longer meets the eligibility requirements of the *Plan*.
6. The last day of leave under the Family and Medical Leave Act of 1993, or an earlier date on which the *employee* informs the *employer* that he or she will not be returning to work.
7. The call-up of an *employee* reservist to active duty.

NOTIFICATION REQUIREMENTS

1. When eligibility for continuation of coverage results from a spouse being divorced or legally separated from a covered *employee*, or a child's loss of *dependent* status, the *employee* or *dependent* must submit a completed Qualifying Event Notification form to the *plan administrator* (or its designee) within sixty (60) days of the latest of:
 - a. The date of the event;
 - b. The date on which coverage under this *Plan* is or would be lost as a result of that event; or
 - c. The date on which the *employee* or *dependent* is furnished with a copy of this Plan Document.

A copy of the Qualifying Event Notification form is available from the *plan administrator* (or its designee). In addition, the *employee* or *dependent* may be required to promptly provide any supporting documentation as may be reasonably requested for purposes of verification. Failure to provide such notice

and any requested supporting documentation will result in the person forfeiting their rights to continuation of coverage under this provision.

Within fourteen (14) days of the receipt of a properly completed Qualifying Event Notification, the *plan administrator* (or its designee) will notify the *employee* or *dependent* of his rights to continuation of coverage, and what process is required to elect continuation of coverage. This notice is referred to below as "Election Notice."

2. When eligibility for continuation of coverage results from any qualifying event under this *Plan* other than the ones described in Paragraph 1 above, the *employer* must notify the *plan administrator* (or its designee) not later than thirty (30) days after the date on which the *employee* or *dependent* loses coverage under the *Plan* due to the qualifying event. Within fourteen (14) days of the receipt of the notice of the qualifying event, the *plan administrator* (or its designee) will furnish the Election Notice to the *employee* or *dependent*.
3. In the event it is determined that an individual seeking continuation of coverage (or extension of continuation coverage) is not entitled to such coverage, the *plan administrator* (or its designee) will provide to such individual an explanation as to why the individual is not entitled to continuation coverage. This notice is referred to here as the "Non-Eligibility Notice." The Non-Eligibility Notice will be furnished in accordance with the same time frame as applicable to the furnishing of the Election Notice.
4. In the event an Election Notice is furnished, the eligible *employee* or *dependent* has sixty (60) days to decide whether to elect continued coverage. Each person who is described in the Election Notice and was covered under the *Plan* on the day before the qualifying event has the right to elect continuation of coverage on an individual basis, regardless of family enrollment. If the *employee* or *dependent* chooses to have continuation coverage, he must advise the *plan administrator* (or its designee) of this choice by returning to the *plan administrator* (or its designee) a properly completed Election Notice not later than the last day of the sixty (60) day period. If the Election Notice is mailed to the *plan administrator* (or its designee), it must be postmarked on or before the last day of the sixty (60) day period. This sixty (60) day period begins on the later of the following:
 - a. The date coverage under the *Plan* would otherwise end; or
 - b. The date the person receives the Election Notice from the *plan administrator* (or its designee).
5. Within forty-five (45) days after the date the person notifies the *plan administrator* (or its designee) that he has chosen to continue coverage, the person must make the initial payment. The initial payment will be the amount needed to provide coverage from the date continued benefits begin, through the last day of the month in which the initial payment is made. Thereafter, payments for the continuation coverage are to be made monthly, and are due in advance, on the first day each month.

COST OF COVERAGE

1. The *Plan* requires that *covered persons* pay the entire costs of their continuation coverage, plus a two percent (2%) administrative fee. Except for the initial payment (see above), payments must be remitted to the *plan administrator* (or its designee) by or before the first day of each month during the continuation period. The payment must be remitted on a timely basis in order to maintain the coverage in force.
2. For a person originally covered as an *employee* or as a spouse, the cost of coverage is the amount applicable to an *employee* if coverage is continued for himself alone. For a person originally covered as a child and continuing coverage independent of the family unit, the cost of coverage is the amount applicable to an *employee*.

If timely payment is made to the *Plan* in an amount that is not significantly less than the amount the *Plan* requires to be paid for a period of coverage, then the amount paid will be deemed to satisfy the *Plan's* requirement for the amount to be paid, unless the *Plan* notifies the *employee* or *dependent* of the amount of the deficiency and grants a reasonable period of time for payment of the deficiency to be made. A "reasonable period of time" is 30 days after

the notice is provided. A shortfall in a timely payment is not significant if it is no greater than the lesser of \$50 or 10% of the required amount.

WHEN CONTINUATION COVERAGE BEGINS

When continuation coverage is elected and the initial payment is made within the time period required, coverage is reinstated back to the date of the loss of coverage, so that no break in coverage occurs. Coverage for ***dependents*** acquired and properly enrolled during the continuation period begins in accordance with the enrollment provisions of the ***Plan***.

FAMILY MEMBERS ACQUIRED DURING CONTINUATION

A spouse or ***dependent*** child newly acquired during continuation coverage is eligible to be enrolled as a ***dependent***. The standard enrollment provision of the ***Plan*** applies to enrollees during continuation coverage. A ***dependent*** acquired and enrolled after the original qualifying event, other than a child born to or ***placed for adoption*** with a covered ***employee*** during a period of COBRA continuation coverage, is not eligible for a separate continuation if a subsequent event results in the person's loss of coverage.

EXTENSION OF CONTINUATION COVERAGE

1. In the event any of the following events occur during the period of continuation coverage resulting from an 18-Month Qualifying Event, it is possible for a ***dependent's*** continuation coverage to be extended:
 - a. Death of the ***employee***.
 - b. Divorce or legal separation from the ***employee***.
 - c. The child's loss of ***dependent*** status.

Written notice of such event must be provided by submitting a completed Additional Extension Event Notification form to the ***plan administrator*** (or its designee) within sixty (60) days of the latest of:

- (i.) The date of that event;
- (ii.) The date on which coverage under this ***Plan*** would be lost as a result of that event if the first qualifying event had not occurred; or
- (iii.) The date on which the ***employee*** or ***dependent*** is furnished with a copy of this Plan Document.

A copy of the Additional Extension Event Notification form is available from the ***plan administrator*** (or its designee). In addition, the ***dependent*** may be required to promptly provide any supporting documentation as may be reasonably required for purposes of verification. Failure to properly provide the Additional Extension Event Notification and any requested supporting documentation will result in the person forfeiting their rights to extend continuation coverage under this provision. In no event will any extension of continuation coverage extend beyond thirty-six (36) months from the later of the date of the first qualifying event or the date as of which continuation coverage began.

Only a person covered prior to the original qualifying event or a child born to or ***placed for adoption*** with a covered ***employee*** during a period of COBRA coverage may be eligible to continue coverage through an extension of continuation coverage as described above. Any other ***dependent*** acquired during continuation coverage is not eligible to extend continuation coverage as described above.

2. A person who loses coverage on account of an 18-Month Qualifying Event may extend the maximum period of continuation coverage from eighteen (18) months to up to twenty-nine (29) months in the event both of the following occur:
 - a. That person (or another person who is entitled to continuation coverage on account of the same 18-Month Qualifying Event) is determined by the Social Security Administration, under Title II or

Title XVI of the Social Security Act, to have been disabled before the sixtieth (60th) day of continuation coverage; and

- b. The disability status, as determined by the Social Security Administration, lasts at least until the end of the initial eighteen (18) month period of continuation coverage.

The disabled person (or his representative) must submit written proof of the Social Security Administration's disability determination to the *plan administrator* (or its designee) within the initial eighteen (18) month period of continuation coverage and no later than sixty (60) days after the latest of:

- (i.) The date of the disability determination by the Social Security Administration;
- (ii.) The date of the 18-Month Qualifying Event;
- (iii.) The date on which the person loses (or would lose) coverage under this *Plan* as a result of the 18-Month Qualifying Event; or
- (iv.) The date on which the person is furnished with a copy of this Plan Document.

Should the disabled person fail to notify the *plan administrator* (or its designee) in writing within the time frame described above, the disabled person (and others entitled to disability extension on account of that person) will then be entitled to whatever period of continuation he or they would otherwise be entitled to, if any. The *Plan* may require that the individual pay one hundred and fifty percent (150%) of the cost of continuation coverage during the additional eleven (11) months of continuation coverage. In the event the Social Security Administration makes a final determination that the individual is no longer disabled, the individual must provide notice of that final determination no later than thirty (30) days after the later of:

- (A.) The date of the final determination by the Social Security Administration; or
- (B.) The date on which the individual is furnished with a copy of this Plan Document.

END OF CONTINUATION

Continuation of coverage under this provision will end on the earliest of the following dates:

1. Eighteen (18) months (or twenty-nine (29) months if continuation coverage is extended due to certain disability status as described above) from the date continuation began because of an 18-Month Qualifying Event or the last day of leave under the Family and Medical Leave Act of 1993.
2. Twenty-four (24) months from the date continuation began because of the call-up to military duty.
3. Thirty-six (36) months from the date continuation began for *dependents* whose coverage ended because of the death of the *employee*, divorce or legal separation from the *employee*, or the child's loss of *dependent* status.
4. The end of the period for which contributions are paid if the *covered person* fails to make a payment by the date specified by the *plan administrator* (or its designee). In the event continuation coverage is terminated for this reason, the individual will receive a notice describing the reason for the termination of coverage, the effective date of termination, and any rights the individual may have under this *Plan* or under applicable law to elect an alternative group or individual coverage, such as a conversion right. This notice is referred to below as an "Early Termination Notice."
5. The date coverage under this *Plan* ends and the *employer* offers no other group health benefit plan. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
6. The date the *covered person* first becomes entitled, after the date of the *covered person's* original election of continuation coverage, to *Medicare* benefits under Title XVIII of the Social Security Act. In the event

continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.

7. The date the *covered person* first becomes covered under any other employer's group health plan after the original date of the *covered person's* election of continuation coverage, but only if such group health plan does not have any exclusion or limitation that affects coverage of the *covered person's* pre-existing condition. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
8. For the spouse or *dependent* child of a covered *employee* who becomes entitled to *Medicare* prior to the spouse's or *dependent's* election for continuation coverage, thirty-six (36) months from the date the covered *employee* becomes entitled to *Medicare*.

SPECIAL RULES REGARDING NOTICES

1. Any notice required in connection with continuation coverage under this *Plan* must, at minimum, contain sufficient information so that the *plan administrator* (or its designee) is able to determine from such notice the *employee* and *dependent(s)* (if any), the qualifying event or disability, and the date on which the qualifying event occurred.
2. In connection with continuation coverage under this *Plan*, any notice required to be provided by any individual who is either the *employee* or a *dependent* with respect to the qualifying event may be provided by a representative acting on behalf of the *employee* or the *dependent*, and the provision of the notice by one individual shall satisfy any responsibility to provide notice on behalf of all related eligible individuals with respect to the qualifying event.
3. As to an Election Notice, Non-Eligibility Notice or Early Termination Notice:
 - a. A single notice addressed to both the *employee* and the spouse will be sufficient as to both individuals if, on the basis of the most recent information available to the *Plan*, the spouse resides at the same location as the *employee*; and
 - b. A single notice addressed to the *employee* or the spouse will be sufficient as to each *dependent* child of the *employee* if, on the basis of the most recent information available to the *Plan*, the *dependent* child resides at the same location as the individual to whom such notice is provided.

MILITARY MOBILIZATION

If an *employee* is called for active duty by the United States Armed Services (including the Coast Guard, the National Guard or the Public Health Service), the *employee* and the *employee's dependent* may continue their health coverages, pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA).

When the leave is less than thirty-one (31) days, the *employee* and the *employee's dependent* may not be required to pay more than the *employee's* share, if any, applicable to that coverage. If the leave is thirty-one (31) days or longer, then the *plan administrator* (or its designee) may require the *employee* and the *employee's dependent* to pay no more than one hundred and two percent (102%) of the full contribution.

The maximum length of the continuation coverage required under the Uniformed Services Employment and Reemployment Rights Act (USERRA) is the lesser of:

1. Twenty-four (24) months beginning on the day that the leave commences, or
2. A period beginning on the day that the leave began and ending on the day after the *employee* fails to return to employment within the time allowed.

The period of continuation coverage under USERRA will be counted toward any continuation coverage period concurrently available under COBRA. Upon return from active duty, the *employee* and the *employee's dependent* will be reinstated without pre-existing conditions exclusions or a waiting period, regardless of their election of COBRA continuation coverage.

PLAN CONTACT INFORMATION

Questions concerning this *Plan*, including any available continuation coverage, can be directed to the *plan administrator* (or its designee).

However, it is ultimately the *covered person’s* responsibility to make sure the claim for benefits has been filed.

NOTICE OF AUTHORIZED REPRESENTATIVE

The *covered person* may provide the *plan administrator* (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a *covered person* and consent to the release of information related to the *covered person* to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department.

NOTICE OF CLAIM

A claim for benefits should be submitted to the *claims processor* within ninety (90) calendar days after the occurrence or commencement of any services by the *Plan*, or as soon thereafter as reasonably possible.

Failure to file a claim within the time provided shall not invalidate or reduce a claim for benefits if: (1) it was not reasonably possible to file a claim within that time; and (2) that such claim was furnished as soon as possible, but no later than twelve (12) months after the loss occurs or commences, unless the claimant is legally incapacitated.

Notice given by or on behalf of a *covered person* or his beneficiary, if any, to the *plan administrator* or to any authorized agent of the *Plan*, with information sufficient to identify the *covered person*, shall be deemed notice of claim.

TIME FRAME FOR BENEFIT DETERMINATION

After a completed claim has been submitted to the *claims processor*, and no additional information is required, the *claims processor* will generally complete its determination of the claim within thirty (30) calendar days of receipt of the completed claim unless an extension is necessary due to circumstances beyond the *Plan's* control.

After a completed claim has been submitted to the *claims processor*, and if additional information is needed for determination of the claim, the *claims processor* will provide the *covered person* (or authorized representative) with a notice detailing information needed. The notice will be provided within thirty (30) calendar days of receipt of the completed claim and will state the date as of which the *Plan* expects to make a decision. The *covered person* will have forty-five (45) calendar days to provide the information requested, and the *Plan* will complete its determination of the claim within fifteen (15) calendar days of receipt by the *claims processor* of the requested information. Failure to respond in a timely and complete manner will result in the denial of benefit payment.

NOTICE OF BENEFIT DENIAL

If the claim for benefits is denied, the *plan administrator* (or its designee) shall provide the *covered person* (or authorized representative) with a written Notice of Benefit Denial within the time frames described immediately above.

The Notice of Benefit Denial shall include an explanation of the denial, including:

1. The specific reasons for the denial.
2. Reference to the *Plan* provisions on which the denial is based.
3. A description of any additional material or information needed and an explanation of why such material or information is necessary.
4. A description of the *Plan's* claim appeal procedure and applicable time limits.

5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Benefit Denial will contain either:
 - a. A copy of that criterion, or
 - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If denial was based on *medical necessity, experimental/investigational* treatment or similar exclusion or limit, the *plan administrator* (or its designee) will supply either:
 - a. An explanation of the scientific or clinical judgment, applying the terms of the *Plan* to the *covered person's* medical circumstances, or
 - b. A statement that such explanation will be supplied free of charge, upon request.

APPEALING A DENIED POST-SERVICE CLAIM

The “*named fiduciary*” for purposes of an appeal of a denied Post-Service claim, as described in U. S. Department of Labor Regulations 2560.503-1 (issued November 21, 2000), is the *plan administrator* except for those appeals detailed in the *Right to External Review of Denied Claims – Post Service Appeal* section of this Claim Filing Procedure.

A *covered person*, or the *covered person's* authorized representative, may request a review of a denied claim by making written request to the *named fiduciary* within one hundred eighty (180) calendar days from receipt of notification of the denial and stating the reasons the *covered person* feels the claim should not have been denied.

The following describes the review process and rights of the *covered person*:

1. The *covered person* has the right to submit documents, information and comments.
2. The *covered person* has the right to access, free of charge, *relevant information* to the claim for benefits.
3. The review takes into account all information submitted by the *covered person*, even if it was not considered in the initial benefit determination.
4. The review by the *named fiduciary* will not afford deference to the original denial.
5. The *named fiduciary* will not be:
 - a. The individual who originally denied the claim, nor
 - b. Subordinate to the individual who originally denied the claim.
6. If original denial was, in whole or in part, based on medical judgment:
 - a. The *named fiduciary* will consult with a *professional provider* who has appropriate training and experience in the field involving the medical judgment; and
 - b. The *professional provider* utilized by the *named fiduciary* will be neither:
 - (i.) An individual who was consulted in connection with the original denial of the claim, nor
 - (ii.) A subordinate of any other *professional provider* who was consulted in connection with the original denial.
7. If requested, the *named fiduciary* will identify the medical or vocational expert(s) who gave advice in connection with the original denial, whether or not the advice was relied upon.

NOTICE OF BENEFIT DETERMINATION ON APPEAL

The *plan administrator* (or its designee) shall provide the *covered person* (or authorized representative) with a written notice of the appeal decision within sixty (60) calendar days of receipt of a written request for the appeal.

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the Decision, including:

1. The specific reasons for the denial.
2. Reference to specific *Plan* provisions on which the denial is based.
3. A statement that the *covered person* has the right to access, free of charge, *relevant information* to the claim for benefits.
4. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
 - a. A copy of that criterion, or
 - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
5. If the denial was based on *medical necessity, experimental/investigational* treatment or similar exclusion or limit, the *plan administrator* (or its designee) will supply either:
 - a. An explanation of the scientific or clinical judgment, applying the terms of the *Plan* to the claimant's medical circumstances, or
 - b. A statement that such explanation will be supplied free of charge, upon request.

FOREIGN CLAIMS

In the event a ***covered person*** incurs a ***covered expense*** in a foreign country, the ***covered person*** shall be responsible for providing the following information to the ***claims processor*** before payment of any benefits due are payable:

1. The claim form, provider invoice and any documentation required to process the claim must be submitted in the English language.
2. The charges for services must be converted into U.S. dollars.
3. A current published conversion chart, validating the conversion from the foreign country's currency into U.S. dollars, must be submitted with the claim.

PRE-SERVICE CLAIM PROCEDURE

HEALTH CARE MANAGEMENT

Health care management is the process of evaluating whether proposed services, supplies or treatments are ***medically necessary*** and appropriate to help ensure quality, cost-effective care.

Certification of ***medical necessity*** and appropriateness by the ***Health Care Management Organization*** does not establish eligibility under the ***Plan*** nor guarantee benefits.

FILING A PRE-CERTIFICATION CLAIM

This pre-certification provision will be waived by the ***Health Care Management Organization*** if the ***covered expense*** is rendered/provided outside of the continental United States of America or any U.S. Commonwealth, Territory or Possession.

All ***inpatient*** admissions are to be certified by the ***Health Care Management Organization***. For non-urgent care, the ***covered person*** (or their authorized representative) must call the ***Health Care Management Organization*** at least seventy-two (72) hours prior to initiation of services. If the ***Health Care Management Organization*** is not called at least seventy-two (72) hours prior to initiation of services for non-urgent care, benefits may be reduced. For ***urgent care***, the ***covered person*** (or their authorized representative) must call the ***Health Care Management Organization*** within forty-eight (48) hours or the next business day, whichever is later, after the initiation of services. Please note that if the ***covered person*** needs medical care that would be considered as ***urgent care***, then there is no requirement that the ***Plan*** be contacted for prior approval.

Covered persons shall contact the Health Care Management Organization by calling:

1-800-480-6658

When a ***covered person*** (or authorized representative) calls the ***Health Care Management Organization***, he or she should be prepared to provide all of the following information:

1. ***Employee's*** name, address, phone number and CoreSource Member Identification Number.
2. ***Employer's*** name.
3. If not the ***employee***, the patient's name, address, phone number.
4. Admitting ***physician's*** name and phone number.
5. Name of ***facility*** or ***hospice***.
6. Date of admission or proposed date of admission.
7. Condition for which patient is being admitted.

Group health plans generally may not, under federal law, restrict benefits for any **hospital** length of stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following a normal vaginal delivery, or less than ninety-six (96) hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than forty-eight (48) hours (or ninety-six (96) hours as applicable). In any case, plans may not, under federal law, require that a provider obtain authorization from the **Plan** for prescribing a length of stay not in excess of the above periods.

However, **hospital** maternity stays in excess of forty-eight (48) or ninety-six (96) hours as specified above must be pre-certified.

If the **covered person** (or authorized representative) fails to contact the **Health Care Management Organization** prior to the hospitalization and within the timelines detailed above, the amount of benefits payable for **covered expenses incurred** shall be reduced by \$100. If the **Health Care Management Organization** declines to grant the full pre-certification requested, benefits for days not certified as **medically necessary** by the **Health Care Management Organization** shall be denied. (Refer to *Post-Service Claim Procedure* discussion above.)

NOTICE OF AUTHORIZED REPRESENTATIVE

The **covered person** may provide the **plan administrator** (or its designee) with a written authorization for an authorized representative to represent and act on behalf of a **covered person** and consent to release of information related to the **covered person** to the authorized representative with respect to a claim for benefits or an appeal. Authorization forms may be obtained from the Human Resource Department. Notwithstanding the foregoing, requests for pre-certification and other pre-service claims or requests by a person or entity other than the **covered person** may be processed without a written authorization if the request or claim appears to the **plan administrator** (or its designee) to come from a reasonably appropriate and reliable source (*e.g.*, **physician's** office, individuals identifying themselves as immediate relatives, etc.).

TIME FRAME FOR PRE-SERVICE CLAIM DETERMINATION

1. In the event the **Plan** receives from the **covered person** (or authorized representative) a communication that fails to follow the pre-certification procedure as described above but communicates at least the name of the **covered person**, a specific medical condition or symptom, and a specific treatment, service or product for which prior approval is requested, the **covered person** (or the authorized representative) will be orally notified (and in writing if requested), within five (5) calendar days of the failure of the proper procedure to be followed.
2. After a completed pre-certification request for non-urgent care has been submitted to the **Plan**, and if no additional information is required, the **Plan** will generally complete its determination of the claim within a reasonable period of time, but no later than fifteen (15) calendar days from receipt of the request.
3. After a pre-certification request for non-urgent care has been submitted to the **Plan**, and if an extension of time to make a decision is necessary due to circumstances beyond the control of the **Plan**, the **Plan** will, within fifteen (15) calendar days from receipt of the request, provide the **covered person** (or authorized representative) with a notice detailing the circumstances and the date by which the **Plan** expects to render a decision. If the circumstances include a failure to submit necessary information, the notice will specifically describe the needed information. The **covered person** will have forty-five (45) calendar days to provide the information requested, and the **Plan** will complete its determination of the claim no later than fifteen (15) calendar days after receipt by the **Plan** of the requested information. Failure to respond in a timely and complete manner will result in a denial.

CONCURRENT CARE CLAIMS

If an extension beyond the original certification is required, the **covered person** (or authorized representative) shall call the **Health Care Management Organization** for continuation of certification.

If a **covered person** (or authorized representative) requests to extend a previously approved hospitalization or an ongoing course of treatment, and;

1. The request involves non-urgent care, then the extension request must be processed within fifteen (15) calendar days after the request was received.
2. The **inpatient** admission or ongoing course of treatment involves **urgent care**, and
 - a. The request is received at least twenty-four (24) hours before the scheduled end of a hospitalization or course of treatment, then the request must be ruled upon and the **covered person** (or authorized representative) notified as soon as possible taking into consideration medical exigencies but no later than twenty-four (24) hours after the request was received; or
 - b. The request is received less than twenty-four (24) hours before the scheduled end of the hospitalization or course of treatment, then the request must be ruled upon and the **covered person** (or authorized representative) notified as soon as possible but no later than seventy-two (72) hours after the request was received; or
 - c. The request is received less than twenty-four (24) hours before the scheduled end of the hospitalization or course of treatment and additional information is required, the **covered person** (or authorized representative) will be notified within twenty-four (24) hours of the additional information required. The **covered person** (or authorized representative) has forty-eight (48) hours to provide such information (may be oral unless written is requested). Upon timely response, the **covered person** (or authorized representative) will be notified as soon as possible but no later than forty-eight (48) hours after receipt of additional information. Failure to submit requested information timely will result in a denial of such request.

If the **Health Care Management Organization** determines that the **hospital** stay or course of treatment should be shortened or terminated before the end of the fixed number of days and/or treatments, or the fixed time period that was previously approved, then the **Health Care Management Organization** shall:

1. Notify the **covered person** of the proposed change, and
2. Allow the **covered person** to file an appeal and obtain a decision, before the end of the fixed number of days and/or treatments, or the fixed time period that was previously approved.

If, at the end of a previously approved hospitalization or course of treatment, the **Health Care Management Organization** determines that continued **confinement** is no longer **medically necessary**, additional days will not be certified. (Refer to *Appealing a Denied Pre-Service Claim* discussion below.)

NOTICE OF PRE-SERVICE CLAIM DENIAL

If a pre-certification request is denied in whole or in part, the **plan administrator** (or its designee) shall provide the **covered person** (or authorized representative) with a written Notice of Pre-Service Claim Denial within the time frames above.

The Notice of Pre-Service Claim Denial shall include an explanation of the denial, including:

1. The specific reasons for the denial.
2. Reference to the **Plan** provisions on which the denial is based.

3. A description of any additional material or information needed and an explanation of why such material or information is necessary.
4. A description of the *Plan's* claim appeal procedure and applicable time limits.
5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Benefit Denial will contain either:
 - a. A copy of that criterion, or
 - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
6. If denial was based on *medical necessity, experimental/investigational* treatment or similar exclusion or limit, the *plan administrator* (or its designee) will supply either:
 - a. An explanation of the scientific or clinical judgment, applying the terms of the *Plan* to the *covered person's* medical circumstances, or
 - b. A statement that such explanation will be supplied free of charge, upon request.

APPEALING A DENIED PRE-SERVICE CLAIM

The “*named fiduciary*” for purposes of an appeal of a denied Pre-Service claim, as described in U. S. Department of Labor Regulations 2560.503-1 (issued November 21, 2000), is the *plan administrator* except for those appeals detailed in the *Right to External Review of Denied Pre-Service Claim* section of this Claim Filing Procedure.

A *covered person* (or authorized representative) may request a review of a denied Pre-Service claim by making a verbal or written request to the *named fiduciary* within one hundred eighty (180) calendar days from receipt of notification of the denial and stating the reasons the *covered person* feels the claim should not have been denied. If the *covered person* (or authorized representative) wishes to appeal the denial when the services in question have already been rendered, such an appeal will be considered as a separate post-service claim. (Refer to *Post-Service Claim Procedure* discussion above.)

The following describes the review process and rights of the *covered person*:

1. The *covered person* has the right to submit documents, information and comments.
2. The *covered person* has the right to access, free of charge, *relevant information* to the claim for benefits.
3. The review takes into account all information submitted by the *covered person*, even if it was not considered in the initial benefit determination.
4. The review by the *named fiduciary* will not afford deference to the original denial.
5. The *named fiduciary* will not be:
 - a. The individual who originally denied the claim, nor
 - b. Subordinate to the individual who originally denied the claim.
6. If original denial was, in whole or in part, based on medical judgment:
 - a. The *named fiduciary* will consult with a *professional provider* who has appropriate training and experience in the field involving the medical judgment.

- b. The **professional provider** utilized by the **named fiduciary** will be neither:
 - (i.) An individual who was consulted in connection with the original denial of the claim, nor
 - (ii.) A subordinate of any other **professional provider** who was consulted in connection with the original denial.
- 7. If requested, the **named fiduciary** will identify the medical or vocational expert(s) who gave advice in connection with the original denial, whether or not the advice was relied upon.

NOTICE OF PRE-SERVICE DETERMINATION ON APPEAL

The **plan administrator** (or its designee) shall provide the **covered person** (or authorized representative) with a written Notice of Appeal Decision as soon as possible, but not later than thirty (30) calendar days from receipt of the appeal (not applicable to **urgent care** claims).

If the appeal is denied, the Notice of Appeal Decision will contain an explanation of the decision, including:

- 1. The specific reasons for the denial.
- 2. Reference to specific **Plan** provisions on which the denial is based.
- 3. A statement that the **covered person** has the right to access, free of charge, **relevant information** to the claim for benefits.
- 4. A statement that the **covered person** has the right to access, free of charge, information about the voluntary appeal process.
- 5. If an internal rule, guideline, protocol or other similar criterion was relied upon, the Notice of Appeal Decision will contain either:
 - a. A copy of that criterion, or
 - b. A statement that such criterion was relied upon and will be supplied free of charge, upon request.
- 6. If the denial was based on **medical necessity, experimental/investigational** treatment or similar exclusion or limit, the **plan administrator** (or its designee) will supply either:
 - a. An explanation of the scientific or clinical judgment, applying the terms of the **Plan** to the claimant's medical circumstances, or
 - b. A statement that such explanation will be supplied free of charge, upon request.

CASE MANAGEMENT

In cases where the **covered person's** condition is expected to be or is of a serious nature, the **Health Care Management Organization** may arrange for review and/or case management services from a professional qualified to perform such services. The **plan administrator** shall have the right to alter or waive the normal provisions of this **Plan** when it is reasonable to expect a cost-effective result without a sacrifice to the quality of care.

In addition, the **Health Care Management Organization** may recommend (or change) alternative methods of medical care or treatment, equipment or supplies that are **covered expenses** under this **Plan** but on a basis that differs from the alternative recommended by the **Health Care Management Organization**.

The *plan administrator* will direct the *Plan* to reimburse for *medically necessary* expenses as stated in the treatment plan, even if these expenses normally would not be paid by the *Plan*.

The recommended alternatives will be considered as *covered expenses* under the *Plan* provided the expenses can be shown to be viable, *medically necessary*, and are included in a written case management report or treatment plan proposed by the *Health Care Management Organization*.

Case management will be determined on the merits of each individual case, and any care or treatment provided will not be considered as setting any precedent or creating any future liability with respect to that *covered person* or any other *covered person*.

SPECIAL DELIVERY PROGRAM

“Special Delivery” is a voluntary program for expectant mothers offering prenatal information, pre-screening for *pregnancy* related risks and information or preparation for childbirth. This program is designed to identify potential high-risk mothers, as well as help ensure a safer *pregnancy* for both mother and baby.

Expectant mothers who decide to participate in the “Special Delivery” Program will have access to a twenty-four (24) hour toll-free “babyline” which is staffed by obstetrical nurses and will also have a series of four (4) books called “Trimester”.

An expectant mother may participate in this program by calling 1-888-785-2229. If possible, she should call during the first three (3) months of her *pregnancy* in order to receive the full benefits of this program.

COORDINATION OF BENEFITS

The *Coordination of Benefits* provision is intended to prevent duplication of benefits. It applies when the **covered person** is also covered by any Other Plan(s). When more than one coverage exists, one plan normally pays its benefits in full, referred to as the primary plan. The Other Plan(s), referred to as secondary plan, pays a reduced benefit. When coordination of benefits occurs, the total benefit payable by all plans will not exceed one hundred percent (100%) of "allowable expenses." Only the amount paid by this **Plan** will be charged against the **maximum benefit**.

The *Coordination of Benefits* provision applies whether or not a claim is filed under the Other Plan(s). If another plan provides benefits in the form of services rather than cash, the reasonable value of the service rendered shall be deemed the benefit paid.

DEFINITIONS APPLICABLE TO THIS PROVISION

"Allowable Expenses" means any reasonable, necessary, and customary expenses **incurred** while covered under this **Plan**, part or all of which would be covered under this **Plan**. Allowable Expenses do not include expenses contained in the "Exclusions" sections of this **Plan**.

When this **Plan** is secondary, "Allowable Expense" will include any deductible or **coinsurance** amounts not paid by the Other Plan(s).

This **Plan** is not eligible to be elected as primary coverage in lieu of automobile benefits. Payments from automobile insurance will always be primary and this **Plan** shall be secondary only.

When this **Plan** is secondary, "Allowable Expense" shall not include any amount that is not payable under the primary plan as a result of a contract between the primary plan and a provider of service in which such provider agrees to accept a reduced payment and not to bill the **covered person** for the difference between the provider's contracted amount and the provider's regular billed charge.

"Other Plan" means any plan, policy or coverage providing benefits or services for, or by reason of medical, dental or vision care. Such Other Plan(s) do not include flexible spending accounts (FSA), health reimbursement accounts (HRA), health savings accounts (HSA), or individual medical, dental or vision insurance policies. "Other Plan" also does not include Tricare, **Medicare**, Medicaid or a state child health insurance program (CHIP). Such Other Plan(s) may include, without limitation:

1. Group insurance or any other arrangement for coverage for **covered persons** in a group, whether on an insured or uninsured basis, including, but not limited to, **hospital** indemnity benefits and **hospital** reimbursement-type plans;
2. **Hospital** or medical service organization on a group basis, group practice, and other group prepayment plans or on an individual basis having a provision similar in effect to this provision;
3. A licensed Health Maintenance Organization (HMO);
4. Any coverage for students which is sponsored by, or provided through, a school or other educational institution;
5. Any coverage under a government program and any coverage required or provided by any statute;
6. Group automobile insurance;
7. Individual automobile insurance coverage;
8. Individual automobile insurance coverage based upon the principles of "No-fault" coverage;

9. Any plan or policies funded in whole or in part by an employer, or deductions made by an employer from a person's compensation or retirement benefits;
10. Labor/management trustee, union welfare, employer organization, or employee benefit organization plans.

"This **Plan**" shall mean that portion of the **employer's Plan** which provides benefits that are subject to this provision.

"Claim Determination Period" means a calendar year or that portion of a calendar year during which the **covered person** for whom a claim is made has been covered under this **Plan**.

EFFECT ON BENEFITS

This provision shall apply in determining the benefits for a **covered person** for each claim determination period for the Allowable Expenses. If this **Plan** is secondary, the benefits paid under this **Plan** may be reduced so that the sum of benefits paid by all plans does not exceed 100% of total Allowable Expenses.

If the rules set forth below would require this **Plan** to determine its benefits before such Other Plan, then the benefits of such Other Plan will be ignored for the purposes of determining the benefits under this **Plan**.

ORDER OF BENEFIT DETERMINATION

Except as provided below in *Coordination with Medicare*, each plan will make its claim payment according to the first applicable provision in the following list of provisions which determine the order of benefit payment:

1. No Coordination of Benefits Provision
If the Other Plan contains no provisions for coordination of benefits, then its benefits shall be paid before all Other Plan(s).
2. Member/Dependent
The plan which covers the claimant directly pays before a plan that covers the claimant as a dependent.
3. Dependent Children of Parents not Separated or Divorced
The plan covering the parent whose birthday (month and day) occurs earlier in the year pays first. The plan covering the parent whose birthday falls later in the year pays second. If both parents have the same birthday, the plan that covered a parent longer pays first. A parent's year of birth is not relevant in applying this rule.
4. Dependent Children of Separated or Divorced Parents
When parents are separated or divorced, the birthday rule does not apply, instead:
 - a. If a court decree has given one parent financial responsibility for the child's health care, the plan of that parent pays first. The plan of the stepparent married to that parent, if any, pays second. The plan of the other natural parent pays third. The plan of the spouse of the other natural parent, if any, pays fourth.
 - b. In the absence of such a court decree, the plan of the parent with custody pays first. The plan of the stepparent married to the parent with custody, if any, pays second. The plan of the parent without custody pays third. The plan of the spouse of the parent without custody, if any, pays fourth.
5. Active/Inactive
The plan covering a person as an active (not laid off or retired) employee or as that person's dependent pays first. The plan covering that person as a laid off or retired employee, or as that person's dependent pays second.

6. Limited Continuation of Coverage
If a person is covered under another group health plan, but is also covered under this **Plan** for continuation of coverage due to the Other Plan's limitation for pre-existing conditions or exclusions, the Other Plan shall be primary.
7. Longer/Shorter Length of Coverage
If none of the above rules determine the order of benefits, the plan covering a person longer pays first. The plan covering that person for a shorter time pays second.

COORDINATION WITH MEDICARE

Individuals may be eligible for **Medicare** Part A at no cost if they: (i) are age 65 or older, (ii) have been determined by the Social Security Administration to be disabled, or (iii) have end stage renal disease. Participation in **Medicare** Part B and D is available to all individuals who make application and pay the full cost of the coverage.

1. When an **employee** becomes entitled to **Medicare** coverage (due to age or disability) and is still actively at work, the **employee** may continue health coverage under this **Plan** at the same level of benefits and contribution rate that applied before reaching **Medicare** entitlement.
2. When a **dependent** becomes entitled to **Medicare** coverage (due to age or disability) and the **employee** is still actively at work, the **dependent** may continue health coverage under this **Plan** at the same level of benefits and contribution rate that applied before reaching **Medicare** entitlement.
3. If the **employee** and/or **dependent** are also enrolled in **Medicare** (due to age or disability), this **Plan** shall pay as the primary plan. If, however, the **Medicare** enrollment is due to end stage renal disease, the **Plan's** primary payment obligation will end at the end of the thirty (30) month "coordination period" as provided in **Medicare** law and regulations. If the **employee** and/or **dependent** does not elect **Medicare**, but is otherwise eligible due to end stage renal disease, benefits will be paid as if **Medicare** has been elected and this **Plan** will pay secondary benefits upon completion of the thirty (30) month "coordination period."
4. Notwithstanding Paragraphs 1 to 3 above, if the **employer** (including certain affiliated entities that are considered the same employer for this purpose) has fewer than one hundred (100) **employees**, when a covered **dependent** becomes entitled to **Medicare** coverage due to **total disability**, as determined by the Social Security Administration, and the **employee** is actively-at-work, **Medicare** will pay as the primary payer for claims of the **dependent** and this **Plan** will pay secondary.
5. If the **employee** and/or **dependent** elect to discontinue health coverage under this **Plan** and enroll under the **Medicare** program, no benefits will be paid under this **Plan**. **Medicare** will be the only payer.

This section is subject to the terms of the **Medicare** laws and regulations. Any changes in these related laws and regulations will apply to the provisions of this section.

LIMITATIONS ON PAYMENTS

In no event shall the **covered person** recover under this **Plan** and all Other Plan(s) combined more than the total Allowable Expenses offered by this **Plan** and the Other Plan(s). Nothing contained in this section shall entitle the **covered person** to benefits in excess of the total **maximum benefits** of this **Plan** during the claim determination period. The **covered person** shall refund to the **employer** any excess it may have paid.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION

For the purposes of determining the applicability of and implementing the terms of this *Coordination of Benefits* provision, the **Plan** may, without the consent of or notice to any person, release to or obtain from any insurance company or any other organization any information, regarding other insurance, with respect to any **covered person**.

Any person claiming benefits under this *Plan* shall furnish to the *employer* such information as may be necessary to implement the *Coordination of Benefits* provision.

FACILITY OF BENEFIT PAYMENT

Whenever payments which should have been made under this *Plan* in accordance with this provision have been made under any Other Plan, the *employer* shall have the right, exercisable alone and in its sole discretion, to pay over to any organization making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this provision. Amounts so paid shall be deemed to be benefits paid under this *Plan* and, to the extent of such payments, the *employer* shall be fully discharged from liability.

AUTOMOBILE ACCIDENT BENEFITS

The *Plan's* liability for expenses arising out of an automobile accident shall always be secondary to any automobile insurance, irrespective of the type of automobile insurance law that is in effect in the *covered person's* state of residence. Currently, there are three (3) types of state automobile insurance laws.

1. No-fault automobile insurance laws
2. Financial responsibility laws
3. Other automobile liability insurance laws

No Fault Automobile Insurance Laws. In no event will the *Plan* pay any claim presented by or on behalf of a *covered person* for medical benefits that would have been payable under an automobile insurance policy but for an election made by the principal named insured under the automobile policy that reduced covered levels and/or subsequent premium. This is intended to exclude, as a *covered expense*, a *covered person's* medical expenses arising from an automobile accident that are payable under an automobile insurance policy or that would have been payable under an automobile insurance policy but for such an election.

1. In the event a *covered person* incurs medical expenses as a result of *injuries* sustained in an automobile accident while “covered by an automobile insurance policy,” as an operator of the vehicle, as a passenger, or as a pedestrian, benefits will be further limited to medical expenses, that would in no event be payable under the automobile insurance; provided however that benefits payable due to a required deductible under the automobile insurance policy will be paid by the *Plan* up to the amount equal to that deductible.
2. For the purposes of this section the following people are deemed “covered by an automobile insurance policy.”
 - a. An owner or principal named insured individual under such policy.
 - b. A family member of an insured person for whom coverage is provided under the terms and conditions of the automobile insurance policy.
 - c. Any other person who, except for the existence of the *Plan*, would be eligible for medical expense benefits under an automobile insurance policy.

Financial Responsibility Laws. The *Plan* will be secondary to any potentially applicable automobile insurance even if the state’s “financial responsibility law” does not allow the *Plan* to be secondary.

Other Automobile Liability Insurance. If the state does not have a no-fault automobile insurance law or a “financial responsibility” law, the *Plan* is secondary to automobile insurance coverage or to any other person or entity who caused the *accident* or who may be liable for the *covered person's* medical expenses pursuant to the general rule for *Subrogation/Reimbursement*.

SUBROGATION/REIMBURSEMENT

The *Plan* is designed to only pay *covered expenses* for which payment is not available from anyone else, including any insurance company or another health plan. In order to help a *covered person* in a time of need, however, the *Plan* may pay *covered expenses* that may be or become the responsibility of another person, provided that the *Plan* later receives reimbursement for those payments (hereinafter called “Reimbursable Payments”).

Therefore, by enrolling in the *Plan*, as well as by applying for payment of *covered expenses*, a *covered person* is subject to, and agrees to, the following terms and conditions with respect to the amount of *covered expenses* paid by the *Plan*:

1. Assignment of Rights (Subrogation). The *covered person* automatically assigns to the *Plan* any rights the *covered person* may have to recover all or part of the same *covered expenses* from any party, including an insurer or another group health program (except flexible spending accounts, health reimbursement accounts and health savings accounts), but limited to the amount of Reimbursable Payments made by the *Plan*. This assignment includes, without limitation, the assignment of a right to any funds paid by a third party to a *covered person* or paid to another for the benefit of the *covered person*. This assignment applies on a first-dollar basis (*i.e.*, has priority over other rights), applies whether the funds paid to (or for the benefit of) the *covered person* constitute a full or a partial recovery, and even applies to funds actually or allegedly paid for non-medical or dental charges, attorney fees, or other costs and expenses. This assignment also allows the *Plan* to pursue any claim that the *covered person* may have, whether or not the *covered person* chooses to pursue that claim. By this assignment, the *Plan’s* right to recover from insurers includes, without limitation, such recovery rights against no-fault auto insurance carriers in a situation where no third party may be liable, and from any uninsured or underinsured motorist coverage.
2. Equitable Lien and other Equitable Remedies. The *Plan* shall have an equitable lien against any rights the *covered person* may have to recover the same *covered expenses* from any party, including an insurer or another group health program, but limited to the amount of Reimbursable Payments made by the *Plan*. The equitable lien also attaches to any right to payment from workers’ compensation, whether by judgment or settlement, where the *Plan* has paid *covered expenses* prior to a determination that the *covered expenses* arose out of and in the course of employment. Payment by workers’ compensation insurers or the employer will be deemed to mean that such a determination has been made.

This equitable lien shall also attach to any money or property that is obtained by anybody (including, but not limited to, the *covered person*, the *covered person’s* attorney, and/or a trust) as a result of an exercise of the *covered person’s* rights of recovery (sometimes referred to as “proceeds”). The *Plan* shall also be entitled to seek any other equitable remedy against any party possessing or controlling such proceeds. At the discretion of the *plan administrator*, the *Plan* may reduce any future *covered expenses* otherwise available to the *covered person* under the *Plan* by an amount up to the total amount of Reimbursable Payments made by the *Plan* that is subject to the equitable lien.

This and any other provisions of the *Plan* concerning equitable liens and other equitable remedies are intended to meet the standards for enforcement under ERISA that were enunciated in the United States Supreme Court’s decision entitled, Great-West Life & Annuity Insurance Co. v. Knudson, 534 US 204 (2002). The provisions of the *Plan* concerning subrogation, equitable liens and other equitable remedies are also intended to supercede the applicability of the federal common law doctrines commonly referred to as the “make whole” rule and the “common fund” rule.

3. Assisting in *Plan’s* Reimbursement Activities. The *covered person* has an obligation to assist the *Plan* to obtain reimbursement of the Reimbursable Payments that it has made on behalf of the *covered person*, and to provide the *Plan* with any information concerning the *covered person’s* other insurance coverage (whether through automobile insurance, other group health program, or otherwise) and any other person or entity (including their insurer(s)) that may be obligated to provide payments or benefits to or for the benefit of the *covered person*. The *covered person* is required to (a) cooperate fully in the *Plan’s* (or any *Plan*

fiduciary's) enforcement of the terms of the **Plan**, including the exercise of the **Plan's** right to subrogation and reimbursement, whether against the **covered person** or any third party, (b) not do anything to prejudice those enforcement efforts or rights (such as settling a claim against another party without including the **Plan** as a co-payee for the amount of the Reimbursable Payments and notifying the **Plan**), (c) sign any document deemed by the **plan administrator** to be relevant to protecting the **Plan's** subrogation, reimbursement or other rights, and (d) provide relevant information when requested. The term "information" includes any documents, insurance policies, police reports, or any reasonable request by the **plan administrator** or **claims processor** to enforce the **Plan's** rights.

The **plan administrator** has delegated to the **claims processor** for medical/dental claims the right to perform ministerial functions required to assert the **Plan's** rights with regard to such claims and benefits; however, the **plan administrator** shall retain discretionary authority with regard to asserting the **Plan's** recovery rights.

GENERAL PROVISIONS

ADMINISTRATION OF THE PLAN

The ***Plan*** is administered through the Human Resources Department of the ***employer***. The ***employer*** is the ***plan administrator***. The ***plan administrator*** shall have full charge of the operation and management of the ***Plan***. The ***employer*** has retained the services of an independent ***claims processor*** experienced in claims review.

The ***employer*** is the ***named fiduciary*** of the ***Plan*** except as noted herein. Except as otherwise specifically provided in this document, the ***claims processor*** is the ***named fiduciary*** of the ***Plan*** for pre-service and post-service claim appeals. As the ***named fiduciary*** for appeals, the ***claims processor*** maintains discretionary authority to review all denied claims under appeal for benefits under the ***Plan***. The ***employer*** maintains discretionary authority to interpret the terms of the ***Plan***, including but not limited to, determination of eligibility for and entitlement to ***Plan*** benefits in accordance with the terms of the ***Plan***; any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

APPLICABLE LAW

Except to the extent preempted by the Employee Retirement Income Security Act of 1974 (ERISA) or other federal law, all provisions of the ***Plan*** shall be construed and administered in a manner consistent with the requirements under the laws of the State of Ohio.

ASSIGNMENT

The ***Plan*** will pay benefits under this ***Plan*** to the ***employee*** unless payment has been assigned to a ***hospital, physician, or other provider of service*** furnishing the services for which benefits are provided herein. No assignment of benefits shall be binding on the ***Plan*** unless the ***claims processor*** is notified in writing of such assignment prior to payment hereunder.

Preferred providers normally bill the ***Plan*** directly. If services, supplies or treatments have been received from such a provider, benefits are automatically paid to that provider. The ***covered person's*** portion of the ***negotiated rate***, after the ***Plan's*** payment, will then be billed to the ***covered person*** by the ***preferred provider***.

This ***Plan*** will pay benefits to the responsible party of an ***alternate recipient*** as designated in a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN).

BENEFITS NOT TRANSFERABLE

Except as otherwise stated herein, no person other than an eligible ***covered person*** is entitled to receive benefits under this ***Plan***. Such right to benefits is not transferable.

CLERICAL ERROR

No clerical error on the part of the ***employer*** or ***claims processor*** shall operate to defeat any of the rights, privileges, services, or benefits of any ***employee*** or any ***dependent(s)*** hereunder, nor create or continue coverage which would not otherwise validly become effective or continue in force hereunder. An equitable adjustment of contributions and/or benefits will be made when the error or delay is discovered. However, if more than six (6) months has elapsed prior to discovery of any error, any adjustment of contributions shall be waived. No party shall be liable for the failure of any other party to perform.

CONFORMITY WITH STATUTE(S)

Any provision of the *Plan* which is in conflict with statutes which are applicable to this *Plan* is hereby amended to conform to the minimum requirements of said statute(s).

EFFECTIVE DATE OF THE PLAN

The original *effective date* of this *Plan* was January 1, 2008. The *effective date* of the modifications contained herein is January 1, 2017.

FRAUD OR INTENTIONAL MISREPRESENTATION

If the *covered person* or anyone acting on behalf of a *covered person* makes a false statement on the application for enrollment, or withholds information with intent to deceive or affect the acceptance of the enrollment application or the risks assumed by the *Plan*, or otherwise misleads the *Plan*, the *Plan* shall be entitled to recover its damages, including legal fees, from the *covered person*, or from any other person responsible for misleading the *Plan*, and from the person for whom the benefits were provided. Any fraud or intentional misrepresentation of a material fact on the part of the *covered person* or an individual seeking coverage on behalf of the individual in making application for coverage, or any application for reclassification thereof, or for service thereunder is prohibited and shall render the coverage under the *Plan* null and void.

FREE CHOICE OF HOSPITAL AND PHYSICIAN

Nothing contained in this *Plan* shall in any way or manner restrict or interfere with the right of any person entitled to benefits hereunder to select a *hospital* or to make a free choice of the attending *physician* or *professional provider*. However, benefits will be paid in accordance with the provisions of this *Plan*, and the *covered person* will have higher out-of-pocket expenses if the *covered person* uses the services of a *nonpreferred provider*.

INCAPACITY

If, in the opinion of the *employer*, a *covered person* for whom a claim has been made is incapable of furnishing a valid receipt of payment due him and in the absence of written evidence to the *Plan* of the qualification of a guardian or personal representative for his estate, the *employer* may on behalf of the *Plan*, at his discretion, make any and all such payments to the provider of services or other person providing for the care and support of such person. Any payment so made will constitute a complete discharge of the *Plan's* obligation to the extent of such payment.

INCONTESTABILITY

All statements made by the *employer* or by the *employee* covered under this *Plan* shall be deemed representations and not warranties. Such statements shall not void or reduce the benefits under this *Plan* or be used in defense to a claim unless they are contained in writing and signed by the *employer* or by the *covered person*, as the case may be. A statement made shall not be used in any legal contest unless a copy of the instrument containing the statement is or has been furnished to the other party to such a contest.

LEGAL ACTIONS

No action at law or in equity shall be brought to recover on the benefits from the *Plan* prior to the expiration of sixty (60) days after all information on a claim for benefits has been filed and the appeal process has been completed in accordance with the requirements of the *Plan*. No such action shall be brought after the expiration of two (2) years from the date the expense was *incurred*, or one (1) year from the date a completed claim was filed, whichever occurs first.

LIMITS ON LIABILITY

Liability hereunder is limited to the services and benefits specified, and the *employer* shall not be liable for any obligation of the *covered person incurred* in excess thereof. The *employer* shall not be liable for the negligence, wrongful act, or omission of any *physician, professional provider, hospital*, or other institution, or their employees, or any other person. The liability of the *Plan* shall be limited to the reasonable cost of *covered expenses* and shall not include any liability for suffering or general damages.

LOST DISTRIBUTEES

Any benefit payable hereunder shall be deemed forfeited if the *plan administrator* is unable to locate the *covered person* to whom payment is due, provided, however, that such benefits shall be reinstated if a claim is made by the *covered person* for the forfeited benefits within the time prescribed in the applicable Claim Filing Procedure section of this document.

MEDICAID ELIGIBILITY AND ASSIGNMENT OF RIGHTS

The *Plan* will not take into account whether an individual is eligible for, or is currently receiving, medical assistance under a state plan for medical assistance as provided under Title XIX of the Social Security Act ("State Medicaid Plan") either in enrolling that individual as a *covered person* or in determining or making any payment of benefits to that individual. The *Plan* will pay benefits with respect to such individual in accordance with any assignment of rights made by or on behalf of such individual as required under a state Medicaid plan pursuant to § 1912(a)(1)(A) of the Social Security Act. To the extent payment has been made to such individual under a state Medicaid Plan and this *Plan* has a legal liability to make payments for the same services, supplies or treatment, payment under the *Plan* will be made in accordance with any state law which provides that the state has acquired the rights with respect to such individual to payment for such services, supplies or treatment under the *Plan*.

PHYSICAL EXAMINATIONS REQUIRED BY THE PLAN

The *Plan*, at its own expense, shall have the right to require an examination of a person covered under this *Plan* when and as often as it may reasonably require during the pendency of a claim.

PLAN IS NOT A CONTRACT

The *Plan* shall not be deemed to constitute a contract between the *employer* and any *employee* or to be a consideration for, or an inducement or condition of, the employment of any *employee*. Nothing in the *Plan* shall be deemed to give any *employee* the right to be retained in the service of the *employer* or to interfere with the right of the *employer* to terminate the employment of any *employee* at any time.

PLAN MODIFICATION AND AMENDMENT

The *employer* may modify or amend the *Plan* in accordance with the provision of the collective bargaining agreement, and such amendments or modifications which affect *covered persons* will be communicated to the *covered persons*. Any such amendments shall be in writing, setting forth the modified provisions of the *Plan*, the *effective date* of the modifications, and shall be signed by the *employer's* designee.

Such modification or amendment shall be duly incorporated in writing into the master copy of the *Plan* on file with the *employer*, or a written copy thereof shall be deposited with such master copy of the *Plan*. Appropriate filing and reporting of any such modification or amendment with governmental authorities and to *covered persons* shall be timely made by the *employer*.

PLAN TERMINATION

The *employer* reserves the right to terminate the *Plan* at any time. Upon termination, the rights of the *covered persons* to benefits are limited to claims *incurred* up to the date of termination. Any termination of the *Plan* will be communicated to the *covered persons*.

Upon termination of this *Plan*, all claims *incurred* prior to termination, but not submitted to either the *employer* or *claims processor* within three (3) months of the *effective date* of termination of this *Plan*, will be excluded from any benefit consideration.

PRIOR PLAN COVERAGE

Employees and *dependents* who are covered under the *employer's prior plan* as of the day immediately prior to the *effective date* of this *Plan* shall be covered hereunder, provided they have elected coverage under this *Plan*. *Employees* who have not satisfied the *prior plan's* waiting period shall become effective under this *Plan* upon completing the waiting period of the *prior plan*.

Prior plan benefits and limitations shall be applied to this *Plan*. For example, satisfaction of the *prior plan's* calendar year deductible shall satisfy this *Plan's* calendar year deductible requirement; benefits paid under the *prior plan* shall be applied toward the *Essential Health Benefits/non-Essential Health Benefits maximum benefit* limitations of this *Plan*.

PRONOUNS

All personal pronouns used in this *Plan* shall include either gender unless the context clearly indicates to the contrary.

RECOVERY FOR OVERPAYMENT

Whenever payments have been made from the *Plan* in excess of the maximum amount of payment necessary, the *Plan* will have the right to recover these excess payments. If the *Plan* makes any payment that, according to the terms of the *Plan*, should not have been made, the *Plan* may recover that incorrect payment, whether or not it was made due to the *Plan's* or the *Plan* designee's own error, from the person or entity to whom it was made or from any other appropriate party.

STATUS CHANGE

If an *employee* or *dependent* has a status change while covered under this *Plan* (*i.e.*, *dependent* to *employee*, COBRA to active) and no interruption in coverage has occurred, the *Plan* will provide continuous coverage with respect to any pre-existing condition limitation, deductible(s), *coinsurance* and *maximum benefit*.

TIME EFFECTIVE

The effective time with respect to any dates used in the *Plan* shall be 12:01 a.m. as may be legally in effect at the address of the *plan administrator*.

WORKERS' COMPENSATION NOT AFFECTED

This *Plan* is not in lieu of, and does not affect any requirement for, coverage by Workers' Compensation Insurance.

HIPAA PRIVACY

The following provisions are intended to comply with applicable *Plan* amendment requirements under Federal regulation implementing Section 264 of the Health Insurance Portability and Accountability Act of 1996 (*HIPAA*).

DISCLOSURE BY PLAN TO PLAN SPONSOR

The *Plan* may take the following actions only upon receipt of a *Plan* amendment certification:

1. Disclose protected health information to the *plan sponsor*.
2. Provide for or permit the disclosure of protected health information to the *plan sponsor* by a health insurance issuer or HMO with respect to the *Plan*.

USE AND DISCLOSURE BY PLAN SPONSOR

The *plan sponsor* may use or disclose protected health information received from the *Plan* to the extent not inconsistent with the provisions of this *HIPAA Privacy* section or the *privacy rule*.

OBLIGATIONS OF PLAN SPONSOR

The *plan sponsor* shall have the following obligations:

1. Ensure that:
 - a. Any agents (including a subcontractor) to whom it provides protected health information received from the *Plan* agree to the same restrictions and conditions that apply to the *plan sponsor* with respect to such information; and
 - b. Adequate separation between the *Plan* and the *plan sponsor* is established in compliance with the requirement in 45 C.F.R. 164.504(f)(2)(iii).
2. Not use or further disclose protected health information received from the *Plan*, other than as permitted or required by the *Plan* documents or as *required by law*.
3. Not use or disclose protected health information received from the *Plan*:
 - a. For employment-related actions and decisions; or
 - b. In connection with any other benefit or employee benefit plan of the *plan sponsor*.
4. Report to the *Plan* any use or disclosure of the protected health information received from the *Plan* that is inconsistent with the use or disclosure provided for of which it becomes aware.
5. Make available protected health information received from the *Plan*, as and to the extent required by the *privacy rule*:
 - a. For access to the individual;
 - b. For amendment and incorporate any amendments to protected health information received from the *Plan*; and
 - c. To provide an accounting of disclosures.
6. Make its internal practices, books, and records relating to the use and disclosure of protected health information received from the *Plan* available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the *Plan* with the *privacy rule*.

7. Return or destroy all protected health information received from the *Plan* that the *plan sponsor* still maintains in any form and retain no copies when no longer needed for the purpose for which the disclosure by the *Plan* was made, but if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.
8. Provide protected health information only to those individuals, under the control of the *plan sponsor* who perform administrative functions for the *Plan*; (i.e., eligibility, enrollment, payroll deduction, benefit determination, claim reconciliation assistance), and to make clear to such individuals that they are not to use protected health information for any reason other than for *Plan* administrative functions nor to release protected health information to an unauthorized individual.
9. Provide protected health information only to those entities required to receive the information in order to maintain the *Plan* (i.e., claim administrator, case management vendor, pharmacy benefit manager, claim subrogation, vendor, claim auditor, network manager, stop-loss insurance carrier, insurance broker/consultant, and any other entity subcontracted to assist in administering the *Plan*).
10. Provide an effective mechanism for resolving issues of noncompliance with regard to the items mentioned in this provision.
11. Reasonably and appropriately safeguard electronic protected health information created, received, maintained, or transmitted to or by the *plan sponsor* on behalf of the *Plan*. Specifically, such safeguarding entails an obligation to:
 - a. Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic protected health information that the *plan sponsor* creates, receives, maintains, or transmits on behalf of the *Plan*;
 - b. Ensure that the adequate separation as required by 45 C.F.R. 164.504(f)(2)(iii) is supported by reasonable and appropriate security measures;
 - c. Ensure that any agent, including a subcontractor, to whom it provides this information agrees to implement reasonable and appropriate security measures to protect the information; and
 - d. Report to the *Plan* any security incident of which it becomes aware.

EXCEPTIONS

Notwithstanding any other provision of this *HIPAA Privacy* section, the *Plan* (or a health insurance issuer or HMO with respect to the *Plan*) may:

1. Disclose summary health information to the *plan sponsor* if the *plan sponsor* requests it for the purpose of:
 - a. Obtaining premium bids from health plans for providing health insurance coverage under the *Plan*; or
 - b. Modifying, amending, or terminating the *Plan*;
2. Disclose to the *plan sponsor* information on whether the individual is participating in the *Plan*, or is enrolled in or has disenrolled from a health insurance issuer or HMO offered by the *Plan*;
3. Use or disclose protected health information:
 - a. With (and consistent with) a valid authorization obtained in accordance with the *privacy rule*;
 - b. To carry out treatment, payment, or health care operations in accordance with the *privacy rule*; or
 - c. As otherwise permitted or required by the *privacy rule*.
