Trustmark Universal Life/LifeEvents[®] Insurance with Convalescent Care Benefit

Two choices for combined coverage and lifelong protection.

Financial security even after a loss

Protecting your loved ones is one of life's greatest responsibilities. When a family loses someone, in addition to grief, survivors may suddenly be faced with costly expenses and debts, and even a loss of income.

Universal Life/LifeEvents can help.

Universal Life provides a consistent lifelong benefit, while, for the same rate, the **Universal LifeEvents** option offers a **higher death benefit** during your working years, when your needs and responsibilities are the greatest. (See reverse for more on how Universal LifeEvents works.) You can choose a plan and benefit amount that provides the **right protection for you.**

Universal Life/LifeEvents insurance can mean those left behind can still pursue their own dreams, and help ensure that the **ending** of one story won't stop the **beginning** of another.

Universal Life/LifeEvents sample rates

Sample ranges of monthly rates for in-service member-only or retiree-member-only, non-smoker coverage with convalescent care benefit. Your exact rate may depend on additional features of the plan.

Age at purchase	\$25,000 Universal Life policy	\$25,000 Universal LifeEvents policy
30	\$22.69	\$15.71
40	\$33.78	\$23.05
50	\$56.21	\$37.32

Sample rates are shown for illustrative purposes only. Rates may vary by age, smoking status, state, and features selected by you and features of the plan. An application for insurance must be completed to obtain coverage.

Solving the long-term care issue

At any point in your life, you may need long-term care services, which could cost hundreds of dollars per day. Universal Life/LifeEvents includes a **convalescent care benefit*** that can help pay for these services at any age. With either option, this benefit **remains at the same** level throughout your life, so the full amount is always available when you most need it.

Here's how it works:

4% You can **collect 4% of your Universal Life/LifeEvents death benefit per month** for up to 25 months to help pay for long-term care services.

The Convalescent Care Benefit is an acceleration of the death benefit and is not Long-Term Care Insurance. It begins to pay after 90 days of confinement or services, and to qualify you must meet conditions of eligibility for benefits. Your policy will contain complete details.

**Policies with issue age 71+ do not include convalescent care benefit.*

Note: your rate is "locked in" at your age at purchase!

Once you have a policy, your rate will never increase due to age.

Universal Life/LifeEvents is **flexible permanent** life insurance designed to last a lifetime.

The younger you are when you enroll, the **more benefit** you receive for the same premium.

No medical exams or blood work – just answer a few simple questions.

What would happen if you weren't around?

1 in 3 households would have immediate trouble paying for living expenses if they lost their primary earner.¹

40% of Americans live paycheck to paycheck. Could your family afford to stay in your home?²

56% of Americans have less than \$10,000 saved for retirement – **1 in 3** have \$0 saved. Wouldn't it be nice to have some protection?³

How the Universal LifeEvents option works

- A **higher death benefit** during working years.
- **Convalescent care** benefits for long-term care services that **stay the same** throughout your life.

Example: \$25,000 policy

Before age 70
 Death benefit **\$25,000**

Convalescent care benefits **\$25,000**

After age 70
 Death benefit **\$8,333**

Convalescent care benefits **\$25,000**

Universal LifeEvents death benefit reduces to one-third at age 70 or the beginning of the 15th policy year, whichever occurs last. Issue age is 18-64.

Benefit for terminal illness

- **Use part of your death benefit** to help manage costs if you're diagnosed with a terminal illness.

Additional advantages

- **Keep your coverage** at the same price and benefits if you change jobs or retire.
- **In-Service Members: Apply for coverage for family members:** spouse, children and grandchildren.
- **Retiree Members:** Apply for coverage for yourself only.

More flexible features

- **Waive your policy payments** if your doctor says you're totally disabled.

This is a brief description of benefits under IUL.205 NY and applicable riders HH/LTC.205 (I) NY, ABR.205 (I) NY, ADB.205 (I) NY, CT.205 (I) NY and WP.205 (I) NY. This policy guarantees against lapsing for 10 years (15 for Universal LifeEvents) as long as planned premiums are paid. If you make changes during this period, or pay only the minimum amount, your cash value may not accumulate, or your death benefit may reduce. If there is negative cash value at the end of your no-lapse period, you must make up the premium to establish positive cash value. You may need to pay more premium to maintain your policy than the rate you paid to keep the no-lapse guarantee, or coverage may end before age 100. An illustration will be delivered with your policy.
